

THE DOOLITTLE FAMILY

Missionaries in Brazil

September/October 2007

Greetings in the name of our Lord and Saviour Jesus Christ.

As we come into the month of November we are reminded of a time set aside for Thanksgiving. As we look back and see what God has done through you here in Acre, we are very thankful for people like you. It has been your faithfulness in prayer that has made a difference here in Acre. THANK YOU SO MUCH.

RIO BRANCO

The work here is doing very well. The institute for the adolescents has been a blessing. We have three students, and they are doing wonderful. They are getting excited about being able to help out in the services. We are now getting everything lined up to start with the young people and adults at the beginning of the New Year. Please continue to pray for these ministries.

As mentioned in our last letter, the church now is officially organized. We are excited about that because we can now officially accept the donation of the building and property where we are right now. This has been a big obstacle. On December 31st we will be celebrating the first anniversary of this work. God has done some amazing things and we are anticipating many more.

God continues to save the lost. We have seen five more people come to know Christ as their personal savior in the months of September and October. Then last Monday night Stephen was working late at the church trying to get some things finished before the upcoming mission's conference. Suliano, a young man who has been visiting the church came in. He started talking to Stephen. He said he wanted to accept Jesus as his Savior. Stephen stopped working and said he could get saved right now. Right there Stephen led Suliano to the Lord. God is good!

We are having a missions conference on the 17th and 18th of November. We are excited for what the Lord is doing through Faith Promise Giving. We have invited Pr. Carlos Moraes to come and challenge our people more about missions. We already support six missionaries and would like to have ten by the end of the year. Please pray.

We also finished handing out the fliers that we had made. It was a total of six thousand. The people really were excited to be a part of that. We plan to have more printed and start again at the beginning of the New Year. Through these fliers six thousand people received the plan of salvation.

GUAJARÁ

The work there continues. We had a man by the name of Antonio give his life to Christ. That was an encouragement to us. As many of you might remember, Stephen had trouble with kidney stones. This happened during the weekend when we were to out to the colony and show a film. Stephen tried to go but was in too much pain. He had no choice but to stay at home which eventually sent him to the hospital various times. There was no time to call someone else to go, so Kelly took all the children and drove three hours to the church, set the generator and projector up and showed the film. The church was full of people. A lot of people were surprised to hear that Kelly had done that even going through mud, but we had made a commitment and the people were waiting. It is an adventure that she will never forget.

We would like to take this time to wish you all a wonderful Thanksgiving and Christmas. Thank you for all you have done for our family this past year through your prayers and financial support.
